

New update of Bloomberg Law MARC records

February 21, 2019

Dear Valued Subscribers,

We have just posted an update of MARC records for Bloomberg Law. The records are available free of charge on the Bloomberg Law MARC Records page, located at www.bna.com/marcrecords.

This update contains revised MARC records for the Corporate Practice Portfolio Series, Health Law & Business Portfolio Series, and the Tax Management State Tax portfolios. Each record has been updated and now includes a link into Bloomberg Law.

Since access to the Bloomberg BNA platform ended for law schools on 12/31/18, portfolios are no longer available through the Bloomberg BNA Resource Centers. We suggest that you reload or overlay the portfolio records below to add Bloomberg Law links and delete the BNA Resource Center portfolio links, which have been deactivated.

We will soon issue another update with revised records for the Accounting Policy & Practice Portfolios and the archived BNA Law Reports. If you need more information, please don't hesitate to contact me.
