

## New update of Bloomberg Law MARC records

---

December 19, 2018

Dear Valued Subscribers,

We have just posted an update of new MARC records for Bloomberg Law. The records are available free of charge on Bloomberg BNA's Law School Professional Information Center website, located at [www.bna.com/marcrecords](http://www.bna.com/marcrecords). Access to the Bloomberg BNA platform for law schools will end 12/31.

We now have MARC records that link into Bloomberg Law for the majority of our collections, including the enhanced news titles that replaced the BNA Law Reports, and the Practice Centers on Bloomberg Law that replaced the BNA Resource Centers. We will issue another update in January.
